SOCIAL AND PERSONAL

A Beautiful Wedding Solemnized Yesterday Afternoon.

A Delightful Dance—Lawn Party for Little People—Personal Mention—Coming and Going.

Yesterday afternoon at 4 o'clock at the residence of Mrs. Wickham Taylor, on Bute street, occurred the marriage of Miss Mattie W. Johnston and Mr. Robert Echols Jordan. The wedding, which was a very quiet, but unusually pretty one, was witnessed by the relatives of the contracting parties only. Rev. Carl E. Grammer, of Christ Episcopal Church, officiating.

The drawing-room of Mrs. Taylor's home was profusely and beautifully decorated for the occasion with sweet pea blossoms, asparagus ferns, and palms.

The maid of honor was Miss Elizabeth Jordan, of Lexington, Va., sister of the groom, and the best man was Dr. R. A. Spillman, of Norfolk.

The bride looked particularly handsome in an exquisite gown of white chiffon, with lace trimmings, and carried a shower bouquet of lilies of the valley. In her hair she wore one of the groom's gifts, a diamond sunburst.

After the ceremony refreshments were served, and Mr. and Mrs. Jordan left for Old Point, where they will stop at the Chamberlin Hotel for a few days, and later make an extended Northern tour. On the return they will reside at Ocean View, at Mrs. Wickham Taylor's cottage.

Wedding gifts were numerous and costly.

Mrs. Jordan is the attractive daughter of Mr. and Mrs. Chas. H. Johnston. The groom, who is highly esteemed here, is connected with the Mutual Fidelity Insurance Company. He was formerly of Lexington, Va., and is a nephew of General Echols, who is now running for Governor of the State.

Among the out-of-town relatives who were present were Colonel and Mrs. W. M. Patton, of Blacksburg, Va.; Misses Annie Elizabeth and Fannie Jordan, sisters of the groom, and Mrs. Edward W. Overly, of Boynton, Va.

A DELIGHTFUL DANCE.

LAWN PARTY.
Miss Fannie Sams complimented her little guests, Chloe Tyler Cook and Conway White Cooke, yesterday afternoon, with a lovely lawn party. Tables were placed out on the lawn, where delightful refreshments were served. About twenty-five little people were present, including, besides the guests of honor, Nora Mitchell, Susie Lee, Katie Rogers, Ethel Tilton, Ellen and Louise Robertson, Josephine Clarke, Eloise Waldrop, Marjorie and Frances Cooper, Kenneth Purdie, Frank Mitchell, Sidney Smith, Angus Avery, Masters Waldrop and John Rogers.

Boys' Gospel Army of Young Men's Christian Association.

The plan of taking the photograph of each member of the army has been working very nicely. Seventy-five boys have been photographed thus far. A number of boys are to be photographed to-day and to-morrow. Special arrangements have been made with the photographer, so that members of the Boys' Gospel Army may go to the gallery any time during the day to-day and to-morrow. There is room in the frame for twenty-five more boys. Each boy is given one photograph free.

Mr. Ambrose Page will take the members of the Boys' Gospel Army on an outing to-morrow (Saturday) afternoon at 4 o'clock. All members of the army are invited to go. Each boy is requested to bring five cents to pay carfare.

Boys who wish to have their photographs taken to-day or to-morrow must get a card from Mr. Page at the association before they go to the gallery.

The attendance at the army meeting last Sunday numbered eighty-two—a very good attendance for such a warm day and threatening weather.

Mr. Page will give a talk next Sunday on "Rat Traps and Fish Hooks." This talk will be illustrated with the genuine articles. All boys are invited to be present. The army expects to continue their meetings right straight along through the summer as usual.

The attendance contest is still on. Many boys expect to get prizes. One boy has already secured two number four cards, having attended every Sunday since last October. Boys are requested to call at the association as soon as possible and have their tickets exchanged.

The Organ Recital.
The organ recital given by Professor William Wall Whiddit, Jr., at Leikes Memorial M. E. Church last night was attended by a large and appreciative audience despite the oppressive weather.

The numbers on the program published in yesterday's issue of the Virginian-Pilot were rendered in a faultless manner, and were received with the greatest enthusiasm by the audience. Professor Whiddit is a complete master of the organ, and his execution of the pieces on the instrument last night fully attested his right to the claim of being a musician of an unusual high order.

Misses Ethel Neely, Alice J. Oliver and Mr. William Richards sustained their well-earned reputation as exceptionally fine vocalists.

Record Cargo of Export Lumber.
The Baltimore Sun of yesterday says: "The largest export shipment of lumber ever made from the port of Baltimore, consisting of over a half million feet of North Carolina pine, was carried by the steamer Farrington, Captain Robertson, which sailed yesterday for Dunkirk, France. The cargo, consisting of 25,106 pieces (35,000 feet), was shipped by the Tunis Lumber Company, of Baltimore and Norfolk, Va. The lumber for this shipment was prepared at their mills in Norfolk, Va., and Oriental and Makelyville, N. C., and brought here in barges to the company's yards at Canton, whence it was delivered to the steamer at Locust Point in lighters in the remarkable time of two and one-half days."

Important to Families of Deceased Odd Fellows.
An advertisement from the committee having charge of the Odd Fellows' home, appears in these Virginian-Pilot this morning requesting parties who have deceased friends and relatives who were members of the order, whose graves are not marked with the proper emblem, to call on Messrs. Broughton and Graham, at the cemetery, and designate their graves on or before Saturday, June 30th, so that they may be marked with the memorial design.

VIRGINIA'S Y. M. C. A.'S.

Will Hold a Summer Encampment at Virginia Beach.

It Will Continue from July 12th to July 22d
—Y. M. C. A. Members are Coming from All Parts of Virginia—Conference of Secretaries on July 13-14.

The Young Men's Christian Association of Virginia will hold an experimental summer encampment at Virginia Beach, beginning July 12, and continuing to July 22. It is confidently expected that a large number of members, representing every portion of the State, will attend this encampment and contribute to its success.

A large delegation is expected to attend from the mountain Y. M. C. A.'s, and every association in the Tidewater section will, of course, be represented. All young men feel the need of an outing, and it goes without saying that they will flock to this encampment in large numbers.

The convention held at Hampton in February last, instructed the State Committee to arrange the plan for a State encampment. This work has been completed. The object is to furnish the members of the associations of Virginia an opportunity to spend their vacation under beneficial conditions among congenial companions at a moderate expense.

The best transportation possible will be secured, the program and transportation circular will be issued next week.

A conference of the secretaries of the Young Men's Christian Associations of the State will be held at the Beach during the encampment, probably July 13th and 14th.

It should be borne in mind that a registration fee of one dollar is required for each person who proposes to attend the encampment, and this should be sent to Mr. L. A. Coulter, the State Secretary at Richmond, not later than July 5th. Hotel accommodations will be reserved in the order in which the registration is received.

Campbell Lodge No. 67—John W. Tyler, W. M.; Thomas Brown, S. W.; Crispus A. Palmer, J. W.; Alfred Pollard, treasurer; William Tyler, secretary.

After the election and installation of the new officers, the following worshipful masters passed out, respectively: Rev. Dr. R. Spiller, Brothers George N. Smith, Daniel Fisher, Benjamin R. Boulding and R. M. Sears.

These lodges have a good three-story brick Masonic temple on Queen street, near Church street.

Last week the National Leader, of Washington, contained a cut, a nice likeness of Past Master Benjamin R. Boulding, and the Colored American, of the same city, had this to say of him: "Mr. Benjamin R. Boulding, of the United States Railway Mail Service, of Norfolk, Va., a business man of high standing and rare executive ability, was in the city last week on business, and paid our sanctuary a pleasant visit. Mr. Boulding is the brother of Mrs. Lucy Boulding Stephens, a preceptress of renown, having held State appointments under Superintendents Farr, Buchanan and Massey, and now of Morgan College Annex, Lynchburg, Va., over his father-in-law, the Rev. George E. Stephens, president. Like his gifted and talented sister, he is wide awake, energetic, widely known and well liked."

Plasterers Elect Officers.
The Plasterers' Union Wednesday night elected officers as follows: President, Archie MacLean; Vice-President, J. W. Rollins; Financial Secretary, E. B. Teazle; Recording and Corresponding Secretary, C. H. Morse; Treasurer, William Robbins; Tiler, M. T. Anderson.

The union has been organized only one year, but in that short time it has secured for its members an eight-hour day and \$3 per diem. It has been ably managed, and is one of the strongest labor unions in this section.

N. C. R. Convention.
Mr. M. W. Jenkins, general agent for Virginia for the National Cash Register Company, will leave Saturday morning via the Chesapeake and Ohio for the annual convention of agents of the company, that will be held at the headquarters of the company at Dayton, Ohio, July 2-7th, inclusive. There will be nearly two thousand representatives of the company present.
